Project Walled City Lahore:  
A Fresh Perspective Opening Ceremony

IAP-LC

Project Walled City is an outcome of the ongoing collaborative studio between the Department of Architecture, UET, and Welsh School of Architecture, Cardiff University with the institutional support of IAP-Lahore Chapter, Walled City Lahore Authority, and Board of Architectural Education-IAP. This project stems from Dr. Federico Wulff’s motivation to work in the walled city Lahore and explore its built heritage and complex urban and social scenarios as an extension of his work in Granada, Spain, and Palermo, Italy.

The opening ceremony for this project was held in Lahore Fort on 26th Feb, 2023. The event began with a walk through the streets of the walled city with a perspective. This was followed by a talk and panel discussion between Dr. Federico Wulff, Ar. Rashid Mukhdum and Mr. Kamran Lashari.

## CELEBRATING WOMEN IN ARCHITECTURE

WOMEN IN THE FIELD OF ARCHITECTURE ARE BREAKING DOWN BARRIERS, MANIFESTING THEIR AMBITIONS AND FORGING A PATH FOR OTHER WOMEN TO FOLLOW, BE IT ACADEMIA OR PRACTICE. LET US ALL COME TOGETHER TO GIVE RECOGNITION AND PAY TRIBUTE TO THEM. TOGETHER THESE INSPIRATIONAL SPEAKERS WILL SHARE THEIR JOURNEY OF BREAKING STEREOTYPES AND TACKLING CHALLENGES, IN TURN UNCOVERING THEIR POTENTIAL AND USING THEIR VOICE TO SPARK CHANGE.

LET'S CELEBRATE THESE ROLE MODELS OF OUR GENERATION

## In Conversation with

THE GUEST SPEAKER

**AR. ADIL KERAI**

HABIB FIDA ALI ARCHITECTS

Adil Kerai, joined Habib Fida Ali in 1992 after graduating from University of Houston with a Bachelor's Degree in Architecture. Upon becoming partner in 2001, Adil Kerai not only introduced modern technology aiding faster work production, but also brought in collaborative international and local commissions like Jummairah Beach Residence, Aga Khan University Hospital and Medical School, Bangladesh International Tutorial and several private residences in Dhaka, Bangladesh. His involvement in projects is from conceptualization to execution of the design quality of construction and client satisfaction is of absolute importance while his design holds true to the design philosophies of the firm.
