2nd Feb

In Conversation with series Ar. Komal Parvez

IAP-KC

The Event was attended by Architects and Architecture Students of different Schools of Sindh. Komal Parvez is an Architect and Landscape Architect practicing in Karachi. She did her B. Arch from DCET/NED Karachi and Landscape Architecture from the Rhode Island School of Design USA and her Masters from Edinburgh College of Arts UK.

She established the first Landscape Architecture firm in Pakistan. She has worked on projects all over Pakistan and internationally in UAE and Africa in the Public and private sectors. She is the Chairperson of 'CHHAAON' an NGO that conducts tree plantation and landscape design for public spaces.

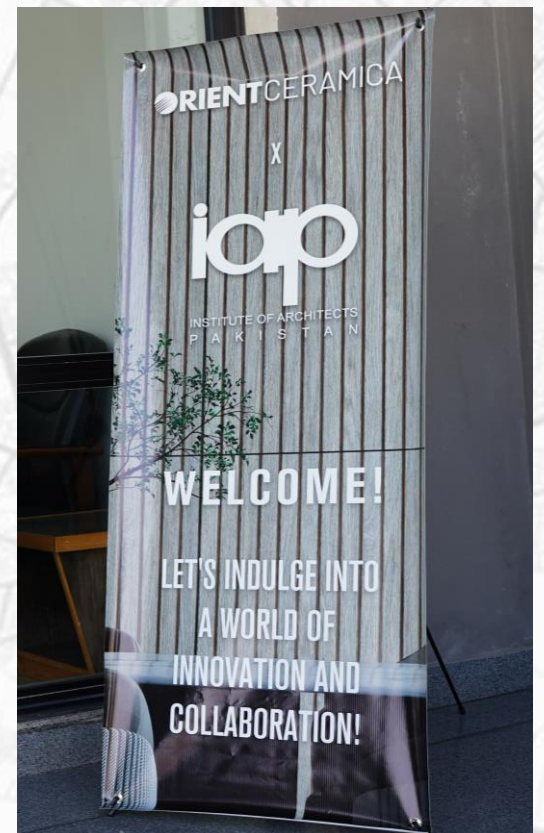

21th Feb Orient Ceramics Factory Visit

IAP-LC

Institute of Architects Pakistan - Lahore Chapter organized a visit to the Orient Ceramics Factory, Sahiwal – Faisalabad on Wednesday, 21st February 2024. This visit marks the first of a series of LC-IAP building industry outreach programs for the year 2024.

The LC-IAP Building Industry Outreach Program aims to bridge the gap between the IAP, architects, and the industry by providing opportunities to visit and understand the manufacturing processes of building products at various factories. The upcoming event is hosted by Orient Ceramics and will include a brief presentation, informal discussion and interaction, lunch, and a factory visit.

IAP / PHA Collaboration Orientation on Applicability of Punjab Sales Tax on Services Act – 2012:

IAP

IAP has organized an orientation on the applicability of the Punjab Sales Tax on Services Act 2012 on services provided by Architects and Town Planners. This is an effort to facilitate our membership to get acquainted with any new developments about PRA laws and an opportunity to ask any questions not specific regarding to this but general queries about PRA.
