1st - 5th Oct IAP-RIC Sports Week & World Architecture Day Celebration

IAP-RIC

The IAP-RIC Sports Week not only celebrated athletic achievements but also emphasized the importance of sustainable practices in architecture, setting a positive example for the future. The event served as a reminder of the power of dedication, teamwork, and passion in shaping both sporting victories and a greener, more sustainable world.

Special recognition was given to Chairman IAP Peshawar Chapter Ar. Imran Khalil and Chairman IAP Lahore Chapter Ar. Shahid Jamal for their personal involvement in mobilizing their teams and dedicating their precious time, which significantly contributed to the success of the Sports Week.

ARCHLORE

In 2019, the duo founded 'Archlore' - an eco-friendly architectural startup that works to promote bamboo as an alternative construction material in Pakistan. Archlore has been working on commercial, residential as well as philanthropic projects to explore the potential of bamboo in meeting SDGs while showcasing the versatility of the material in both urban and rural contexts. As part of their mission to battle climate change, Archlore routinely conducts bamboo workshops in educational institutions to spread awareness and to familiarize young individuals with modern day bamboo construction. Archlore was nominated for an Aga Khan award in 2022

17th Oct Sketching to Structure

IAP-LC

IAP Lahore Chapter organized a very informative workshop on “Sketching to Structure” conducted by Ar. Shahzad Azam UET Lahore. There was a remarkable attendance for the session.

The poster features a central photograph of Ar. Shahzad Azam, a man with a beard wearing a dark suit and a patterned pocket square. The background of the poster is a light-colored architectural sketch of a building with a grid-like facade. The text is overlaid on the poster in white and teal colors.
