

The **IAP College of Fellows (CoF)** is an honorary body within the **Institute of Architects Pakistan (IAP)**, recognizing architects who have made significant contributions to the profession and society and have been conferred with title of Fellow IAP. It serves as a platform for mentorship, policy advisory, and the advancement of architecture in Pakistan.

Objectives:

- Honor Fellows of IAP
- Support and promote IAP's mission and strategic plans
- Advance the profession through expertise and engagement
- Mentor young architects
- Contribute to societal development

To align with the diverse objectives of IAP, the **College of Fellows (CoF)** will establish dedicated **task forces** focusing on key areas such as **mentorship, professional development, policy advisory, sustainability, heritage conservation, innovation in architecture, and community engagement**. These task forces will collaborate with IAP's national and regional bodies to drive meaningful initiatives and strengthen the profession.

By leveraging collective wisdom and proactive engagement, the **CoF aims to strengthen the architectural profession in Pakistan**, aligning with IAP's vision for excellence.

Structure & Membership:

The **IAP College of Fellows (CoF)** will operate under the **Institute of Architects Pakistan (IAP)**, led by the **Chair of Fellowship**. It will establish **specialized advisory committees** focused on key areas to support both national and regional initiatives.

Membership is **honorary** and includes all **IAP Fellows in good standing**, ensuring a collective effort to advance the profession.

Meetings & Governance

Meetings will be scheduled and convened by the **Chair of Fellowship**, with members attending **in person, digitally, or in a hybrid format** to ensure broad participation. Decisions made by **majority vote**, with the Chair holding a casting vote in case of a tie.
