IAP

Dear IAP Members,

I am immensely proud to announce that the Institute of Architects Pakistan (IAP) was a part of the Inauguration Ceremony as a founder member of the Architects Association of South Asia (AASA) at its historic first session held in Kathmandu on August 25, 2025.

The event saw the physical attendance of several Presidents & Vice Presidents of architectural Institutes from Bangladesh(IAB) Bhutan(BIA), Maldives(AAM), India(IIA), Nepal(SONA), Sri Lanka(SLIA), along with the online participation of myself as President IAP, the President of BIA, and the Past Presidents of SLIA & IAP.

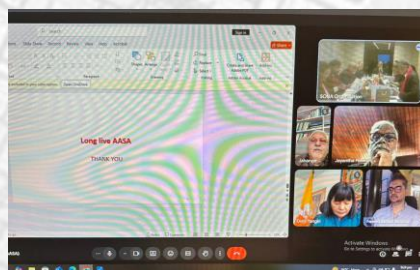

This momentous achievement is a testament to our institute's leading role in the region, a fact honored by the playing of our national anthem at the closing ceremony and are honourable flag displayed at the two Venues.

Special recognition is due to Past President IAP & ARCASIA, Ar. S. M. Jahangir Khan Sherpao, Ar. Jayantha Perera, and the Past President of SLIA, two Past Presidents of SONA Ar. Swarup Koney & Ar. Devendra Nath Gongal on their dedicated efforts in drafting the AASA constitution and making this vision a reality.

This is a truly proud and historic day for all of us at IAP and for the architectural community across South Asia.

Warm regards,

Ar. Fawad Suhail Abbasi, FIAP
